DESCRIPTION:

This TSB provides **updated** information on 2009 model year exterior colors used on the Sonata. It includes Hyundai paint codes and several paint manufacturers' formula codes.

The exterior color codes are printed on the certification label at the base of the Driver's side 'B' pillar. The 2 digit color code is listed under "paint" followed by the interior color listed under "trim". For example, Paint W1 indicates a powder white pearl (W1) exterior and Trim FZ indicates a gray (FZ) interior.
