**DESCRIPTION:**

To ensure correct display and all features and functions are available when listening to an iPod unit, a Hyundai iPod adapter cable is required. This cable can be ordered through your facing PDC using part number 08620-2L000.

Hyundai Motor America cannot guarantee proper operation using any other means of connection to the multimedia jack (USB/iPod/AUX Jack).

Depending on the iPod model or software version, song titles or artist may not display correctly on the vehicle audio display.
