DESCRIPTION:

2005 and 2006 MY Hyundai vehicles are equipped with tires produced by the following five tire manufacturers: Michelin, BF Goodrich, Bridgestone, Hankook and Kumho. Should you have a question regarding tire service or replacement, please contact the appropriate tire manufacturer for assistance with the tire part number information provided below.

NOTE: You may also find the tire company assistance number in the owner's manual supplied with the vehicle.

***PART NUMBER:** If you do not have the tire part number information, you can still inquire about the tire by providing the correct information from the tire sidewall as shown.

For example: If inquiring about a P235/60R16 tire, you should provide the following types of information:

NOTE: This example applies for any tire if the tire part number is not available.
